PRODUCER PROFILE

Els Bardissots (the briars) is a project from **Pep Pou**, **Pilar Rosell**, and **Oriol Artigas**. Pilar and Pep met Oriol in oenology school in 2010. The three quickly became friends and then, in 2016, collaborators when they began working with old vines (most between 50 and 90 years old) in and around Alella and making wine at Oriol's bodega. None of the three come from a winemaking family, and this inspired their name: hedges are thorny plants that grow on the margins. Pilar, Pep, and Oriol farm their parcels organically, with some biodynamic treatments. All the wines are made with indigenous yeasts, without temperature control, and in neutral vessels. There are no additives in the winemaking process, and the wines are bottled without fining, filtering, or sulfur addition.
